NURIOOTPA vs WILLASTON

Issue 1

14 APRIL 2018

TIGER TALK - WELCOME TO TIGER HEADQUARTERS

NNC President Prattle

Welcome to our first home game of the 2018 season and a warm welcome to the Willaston Netball Club.

Our Club begins the season with a full compliment of teams across all grades and new players in both Junior and Senior teams.

Last week saw very hot conditions posing a challenge for all players, but producing some exciting results across the grades.

The Senior 1 loss by only 3 goals to reigning premiers Kapunda has created some excitement, further amplified by no less than 5 Tiger teams posting 20+ goal wins!

Our teams can't take to the courts without the continued generosity of our sponsors. We thank our ongoing sponsors and those new to the Club this season. Please endeavour to support them whenever you can.

Finally a big thank you to those who have volunteered as Umpires, Coaches, Primary Carers, Team Managers and Committee, ensuring our players make it to the Court each week.

Here's to a successful day on the courts and 2018. Jane Pink

Welcome to the first home game for 2018 for what should be a tough contest for all grades.

Thanks to everyone who made Saturday Night's Players' Auction such a great success. A big thank you to David Cook of Elders Real Estate for auctioneering.

This year the Club has returned to a volunteer based Canteen and also player involvement in the Club. They get to do the best bit.

Congratulations to Ryan Salter for playing his 200th senior game last Saturday. A great effort!

We also congratulate Cooper Dahms on playing his first two league games for Centrals, where we now have 1/5 of their team. — 2 Schillers, Jordan Furnell, Cooper Dahms.

Rockford Moppa Springs
 The 2012 vintage was one of those great seasons where the vines looked after themselves. We picked the pristine fruit at our leisure with the flavour window open for weeks instead of days allowing us to capture the amazing varietal flavours with intense colour, palate weight and depth.

Grenache, Mataro and Shiraz have already integrated well in the 2012 Moppa Springs which is beautifully fragrant and spicy on release and will develop more savoury earthiness with time in bottle.

MEET OUR A-GRADE NRFC COACH: Henry Slattery

What are you most excited about this season? I am excited to see the development of the team. We have had a great pre season and feel as though the players are ready to go. We have had a lot of players join the club this year, meaning that there is competition for spots. Hopefully this will help push the group forward this year.

What do you hope to see / get out of the upcoming season? I hope that our new players learn to love and become part of the club culture, and I believe we have the team to be able to do it. Hopefully we have luck with injuries and the aim is to be there in finals. anything can happen in finals and the group are itching to have a great year.

Who are you looking forward to playing against and why? Willaston and Barossa. We should have won late in the year last year against Barossa as we were finishing the year strongly. It felt as though they could feel we were building as a team as well. They are the premiers team, so they will be a team that everyone wants to beat. Willaston also because both times we did not play our best footy. They certainly lifted when they played the Nuri footy club and you could see that. They will do the same this week and I certainly hope the team are in the frame of mind that it is almost like a final this week.

What is your personal aim this season? My personal aim is to see players develop as a person and also a footballer. I will get my satisfaction from this. by developing and getting better, the team will win, and there is nothing better than winning.

Favourite memory while being involved in the NRFC? The 2015 season. It was a great year. We did not lose a game and it was the first premiership I have ever won. There is nothing better than winning a premiership.

Any future aspirations? I love being involved with football. I hope that I can give a bit back at Nuri. I don't have any aspirations in football but I do really enjoy being a part of a football club and NRFC are a fantastic football club.

Signature dish that you can cook? Pasta and risotto
