TIGER TALK - WELCOME TO TIGER HEADQUARTERS

NNC President Prattle

It's the battle of the Tigers today and we hope that after a week break OUR Tigers are refreshed and ready to win!

A big thanks to those players and their families that stood alongside the NRFC players in honouring our service men & women at the Anzac Day Parade.

It was a moving start to a beautiful day which continued on with some fabulous results across the Junior grades. The coaches and girls are producing some great wins, with 7 of our 9 competitive Junior teams currently placed 3rd or higher on the ladder! We know... it is still early days, but can't help think there's a promise of big things to come!!!

Our Senior teams again fought hard against strong Angaston competition, with Senior 7's having a confidence boosting, tight 3 goal loss.

We're excited to announce the launch of our 2018 Major Raffle this week, with some fabulous prizes thanks to the continued generosity of many of our sponsors. All players should have a book in their hands by now so make sure you grab a ticket (or 10) before the draw at Sponsors Day on June 23rd.

Talking social events, it's time to get adventurous and consider taking the stage for the NRFC Players Review on the 26th May. Surely there's some budding comedians or musicians

From the NRFC President

Welcome today to Gawler Central Football Club with all games being very important for our teams.

We thank the Angaston Football Club for the way in which the ANZAC DAY match was presented. This traditional match is a very important occasion. Bobby Raikiwasa won the Scott Smith Medal as the Team's Best Player and Alec Bryce won the Anzac Medal for the qualities he displayed during the game.

A special welcome to our COLT Club members and sponsors for the first of our two lunches. We are also pleased to welcome our Life Members. We have invited them today in a celebration of their hard work and their commitment to the NRFC – it's what has built our Club to what it is today! They have all in their own way contributed a great deal and for that we are truly grateful.

It is a huge honour to play on ANZAC Day, an honour that both clubs take seriously. The Nuriootpa March was well attended by both Nuriootpa Netball and Football Clubs. It was so amazing to see so many young people at this important service acknowledging those who paid the ultimate sacrifice for our freedom today.

It is a tradition that we hope to see continue for many years to come. Wreaths were laid by NRFC's Under 17 and Under 15s Captains, Thomas Bell and Cooper Kalleske, and Netballs Senior and Junior club person of the year Lynlee Mangelsdorf and Abby Materne.

A massive thank you for everyone's engagement, support and attendance on such a significant day. It was a great day on the footy field and our NNC juniors represented their club with pride.

**Thankyou may never be enough, but for
our today, you gave your tomorrow!

The Kurtz family are fifth generation Barossans of German descent. The original Kurtz Family Vineyard was planted in the 1930s, with vines still in use today. These vines, together with later plantings and acquisitions in the fifties and sixties, allow fourth generation grape grower and vigneron, Steve Kurtz, to draw on significant old vine fruit to create a range of wines that are fine examples of the traditional Barossa style – full flavoured reds that are rich on the nose and palate.

We've been growing Riesling at our Mintaro property since 1999 and the 2017 Kerkaraboo Riesling is a single vineyard, Clare Valley Riesling showing a lime/citrus nose followed by a tight, fruit driven palate. Excellent with any seafood but shines with crabs and whiting, or just as a great afternoon drink.

MEET OUR SENIOR 1 NNC COACH: Lynlee Mangelsdorf

What are you most excited about this season? To be working with such a great group of young girls. We have a very young squad with an average age of only 20 but what they lack in experience they make up for in enthusiasm.

What do you hope to see / get out of the upcoming season? My aim for this season is to get the girls enjoying their netball again. I want bring back the fun factor and make them love their netball again which in turn will hopefully bring success on the court.

Who are you looking forward to playing against and why? The ANZAC Day clash against Angaston is always one of the major highlights of the year. It's such an honour to play on ANZAC day and it always brings with it extra emotion. Cross town battles against Tanunda are also closely contested matches.

What is your personal aim this season? To build and improve on my coaching skills. To introduce new drills and routines to game day and be organised.

Who was your favourite player to watch growing up? Michelle den Dekker

Favourite part of being involved in the NNC? I love and cherish the many friendships I have formed over the years. I now love that my two girls are growing up in the same environment and look forward to netball day each week.

Any future aspirations? After coaching juniors for many years I am really enjoying coaching Seniors at the moment. Maybe one day one day I would like to mentored by coaches at a higher level - but for now I look forward to hopefully watching my girls enjoy their netball.

Where did you grow up as a child? In Cadell in the Riverland playing my junior netball for Cadell (now Morgan/Cadell) in the Mid-Murray League I then played a couple of seasons for Waikerie in the Riverland Competition and finally Tango when my family moved to town.

Favourite holiday destination? Thailand - where we went for our honeymoon and hoping to take the family back to soon.
